

Our Prisons Ministry

Praise God for His leading! By the empowerment He has given us, Breakthrough's Prisons Ministry team enters the prisons to spread the life transforming Gospel, delivering many lives from the bondage of sin.

Our leaders, staff and brothers have also taken part in the Yellow Ribbon Project's activities and saw the Government's efforts in helping ex-offenders in their different needs like employment, financial needs, education and family ties, while at the same time urging the public and employers to accept them and give them a new lease of life. This has given our team great encouragement.

The Prisons Ministry received new blood when many of our staff and helpers responded to God's calling and took up the Mission of Love to enter the prisons with the message of the Lord Jesus Christ's love and salvation for sinners, so that more souls will benefit from the Gospel and join the ranks of God's people. May God lead them on in their journey to prepare them as mighty soldiers in His kingdom!

Aside from our leaders, staff and helpers, our Prisons Ministry team also includes our volunteer mentors and former staff. Besides coming to Breakthrough to encourage and train our brothers, they are also a mainstay of our work in the prisons, taking up the burden to teach, preach and counsel the brothers in prison.

May the Lord anoint the work of the Prisons Ministry Team, and empower them to increase the numbers of the saved each day through their service in the prisons to testify for the life transforming power of the Lord Jesus Christ's Gospel!
